## Selectman's Report and Recommendations

---

This past year saw the completion of the re-construction and black-topping of Burleigh Hill Road, the longest project using T.R.A. funds (four years). This completes the school bus loop from School St., Tilton, to Rt. 127. Also black-topped this year were parts of Johnson Road and Morrison Road, using the balance of T.R.A. funds.

The School Board recommends that the next project should be a connecting road between Upper and Lower Bay Roads, to be followed by reconstruction of Brook Road from Weeks Road to Prescott Road, which would provide a loop for the school bus and eventually would be part of the bus loop from Weeks Road to Hale Road.

Part of the Duncan Fund was used to widen and rebuild the town road from Knox Mt. Road to the Schultz property. The balance was carried over to 1966. Mr. and Mrs. Robert Schultz are now permanent residents of Sanbornton. Mrs. Schultz, whose professional name is Dr. Winifred Chase, is a member of the Franklin Hospital Staff, and has an office at her home on Knox Mountain.

New office equipment was installed in the Town Office this summer, and the Tax Collector and Selectmen moved in last fall. The conditions are somewhat different from those of years gone by, and we hope that the townspeople find the central location much more convenient. All the old records of any importance have been moved from the Town Hall to the Vault.

This school year the Town Hall has been used as a kindergarten, and all of us wish to commend all those involved in Project Kindergarten for their efforts and accomplishments.

The Selectmen and the School Board wish to remind all students who intend applying for a Scholarship, that applications may be acquired from the School Principal, and must be filed at his office on or before May 1st.

Real estate inventories must be returned by April 15. Please file your inventories.

Last year there was a woods fire on Knox Mt., and on behalf of all the townspeople we wish to thank all the Mutual Aid Fire Departments who helped to contain the fire as they did. It could have been much worse. For labor alone this fire bill was \$1536.37, so we would like to add our reminder to many other reminders, be fire conscious, particularly in woods during dry periods. You pay these bills.

The Highway Dept. did some work around the dump and put it in good shape again. The hours the dump is open will remain the same, with Mr. Sanville as custodian.

The installation of a gas tank and pump at the Highway Garage has enabled us to purchase gasoline through the State contract at a considerable savings.

Last year the State Legislature passed new regulations relative to the establishment of Automobile Junk Yards. The Selectmen intend to enforce these regulations commencing April 1st. Anyone with two or more used cars unfit for highway use can get the information at the Town Office.

The Selectmen wish to thank all the Town Officers, Town Committees, and townspeople for all assistance rendered.

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

**Statement of Long Term Indebtedness: (Exhibit H)**

A statement of outstanding long term indebtedness as of December 31, 1965, showing annual debt service requirements is contained in Exhibit H.

**AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements ob-

tained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amount of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

### **Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased by \$1,681.16, from \$16,325.53 to \$18,006.69 in 1965, as shown herewith:

### **Duplicate Tax Payments:**

It is noted that a 1965 tax in the amount of \$304.50 was paid twice to the Tax Collector. Both tax payments were remitted by the Collector to the Town Treasurer and a refund made by the Town to the taxpayer.

The Tax Collector should remit to the Treasurer \$304.50, which is included in the Balance Sheet as an account receivable item, to adjust this account.

### **Conclusion:**

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Yours very truly,

## Report of Recreation Committee

Within their capabilities the committee members did most of what they set out to do in 1965. Recreation, like any other worthwhile project, requires the participation of many. If you have in mind something you would like to see accomplished, present it to the committee. If they deem it feasible they will support it, but come prepared to show you can help carry it out.

Many thanks go to those operating the ski area and carrying out the summer baseball program for the fine job they did in making these projects a success. Thanks are also in order to the Road Agent for his cooperation in doing the work on the town beach and to those who worked on the Hallowe'en parties.

The only planned operation that wasn't accomplished was a swimming program. This was due to the lack of an instructor. The outlook for this project in 1966 is greatly improved.

For the coming year the ski area is already operating, summer baseball will be continued, if not expanded, a swimming program will be developed if possible and work will be done on access and parking at the Hermit Lake swimming area.

The Recreation Committee, with the Fire Department, will sponsor the construction of a pond near the fire station under the direction of the Soil Conservation Service.

With the exception of the pond, the Recreation Committee will ask for no new funds this year. Monies left over from 1965 were placed in surplus and should be sufficient for activities planned for 1966.

Respectfully submitted,

ARTHUR E. MILES

Chairman

## Sanbornton Fire Department

Many hours have been spent at the Fire Station aside from Drills and working on equipment.

Grading, seeding, and poison ivy eradication has been nearly completed.

Much credit goes to the men who contributed the use of equipment for grading, namely David Swain, Alphonse Suro-wiec, Haven Sanborn, Warren Wilson, Edward Craig, and others. Many hours of labor were furnished by the Firemen and other interested townspeople.

During 1965 the Department responded to 26 alarms—nineteen in Sanbornton and seven Mutual Aid calls.

We gratefully acknowledge all labor and contributions received, and the valuable assistance of the Lakes Region Mutual Fire Aid Association.

Respectfully submitted,

GEORGE S. CURRIER

## Report of the Forest Fire Warden and Your District Chief

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

### WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
  - a. Always get a permit to burn from the warden.
  - b. Start your fire late in the day after 5:00 p. m.
  - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

## Report of the Planning Board

At the 1965 Town Meeting, the proposed amendments to the Zoning Ordinance were accepted, and it was voted to have the Selectmen appoint an Advisory Committee to assist the Planning Board. Appointed were Alexander F. Livingstone, Dennis H. Akerman and Daniel Doane. Their advice has been appreciated by the Board. A public Hearing was held to discuss Trailer and Forest Recreation amendments. Many ideas were expressed and these are receiving serious consideration by the Board.

It does not appear feasible to bring these up for action at Town Meeting which already lasts late into the evening. The Board expects to update the Comprehensive Plan, following a required Hearing, and set a date later for its consideration.

The Board, in compliance with its duty to recommend plans for future growth, approves the following:

- a. The construction of a fire protection pond near the Town Office building.
- b. The proposed Winnisquam Regional School which will ensure the High School youth of the town a place where they will be accepted. There are other benefits but we feel this is paramount.
- c. The orderly improvement of roads, particularly as they affect the school transportation system.

Respectfully submitted,

The Planning Board of Sanbornton

## Sanbornton Public Library

Mrs. Ruth Wiggins, Librarian

The past year has been a rewarding one for the progress made in better library service for the citizens of Sanbornton. The card catalog system which has been developed is now being carried along currently with the purchase of books thus keeping our library up to date. Weekly work sessions continued all summer, bringing us closer to completion of cataloging of the older books. There have been replacements made where necessary of standard titles and some of the gaps filled in. Of course many new titles were added to adult and children's reading.

In April of this year the trustees voted to join the N. H. Statewide Library Development Program. Our library belongs to the Concord District Council. This enables us through central purchasing to obtain a considerably larger discount than was possible otherwise. The state Library offers an opportunity six times a year for the librarian, and trustees to attend book selection meetings in order to better evaluate the purchase of books. Upon joining this system, the library received valuable reference books of our own choice in the amount of \$125. With our regular purchase of books we also receive for each book the complete set of catalog cards. The Bookmobile made regular visits, making available a variety of new titles, as well as filling requests for special material.

Mrs. Wiggins attended an accredited course on Principles of Book Selection. This was a U.N.H. Extension course taught by a State librarian and carries with it credit toward certification.

The repair and shingling of the roof has been completed and a sill replaced.

We thank the teachers for their cooperation in preparing for reading assignments and in guiding the children in the use of the card catalog. We also thank Mildred Coombs for her able assistance on library days and at work sessions throughout the year, and Barbara Akerman for her faithful service in cataloging.

## Civil Defense

Program Papers and Progress Reports have been prepared and filed with the Civil Defense Agency making the town eligible for matching funds and surplus properties.

A very successful Medical Self Help course was given to townspeople last spring. Many thanks to Mrs. Robert Bodwell for her excellent instruction.

Many pieces of furniture and equipment for the Civil Defense Room and Fire Station were purchased through Surplus Properties.

We are asking for an appropriation of \$200.00 to keep us eligible for surplus properties and to purchase a Forestry Radio and two Walkie-Talkies to increase our fire communications.

## SANBORNTON TAVERN

A dream was realized when the Sanbornton Historical Society became the owner of this building through the generosity of an anonymous donor. Built in the early nineteenth century, it was the last to be used as a Tavern to accommodate stage coaches in Sanbornton on their way from Boston to Plymouth and northern Canada. When the railroad was built through Tilton (then Sanbornton Bridge) the stage coach trade dwindled and it became a private dwelling.

While our town can not approach the size of the Strawberry Banke project, we are encouraged by their example in preserving historical sites, and hope to restore this building to its original appearance as a tribute to our hardy ancestors who built the foundation of present day Sanbornton.

Charles Lane, a noted printer at Sanbornton Square, once owned the Tavern, selling it to his brother, J. Hilliard Lane. It is most often referred to as "The Hilliard Lane Stand". He is the ancestor of many present day townspeople. Weddings were held here. On the second floor was a large room used for dances.

The Historical Society has received wide response to its plans for restoration. They trust that every Sanbornton resident, as well as descendants of former residents, will feel that they have an interest in this bit of past history. Mrs. Mildred Coombs, president of the Society, has ambitious long range projects in process of planning, and will welcome aid from all. Come and visit "your building" and share in its renewal.

## Superintendent's Annual Report

To the Board of Education and Citizens of the Sanbornton School District.

I herewith submit my annual report as your Superintendent of Schools.

### Personnel

This year we have had two staff changes. Mrs. Ellen Patterson who had been teaching half time moved out of state. She was replaced by Mrs. Claire Gassett, a graduate of Plymouth State College. Mrs. Pauline Hodgkins requested release in December. To fill this position Mrs. Frances Smith, a graduate of Keene State College with considerable teaching experience has agreed to fill this position for the remainder of this school year.

Mrs. Greene did not return to teach music this past school year and since a replacement could not be found we were without music instruction. This year, however, Mr. Raymond Ladieu who carries on the music program in Belmont is conducting the music program at Central School one day a week.

Following is the assignment of teachers for the 1965-1966 school year:

Grade 1	Mrs. Pelletier	25 pupils
Grade 2	Mrs. Beazil	21 pupils
Grade 3	Mrs. Hodgkins and Mrs. Smith	18 pupils
Grade 4	Mrs. Corliss	28 pupils
Grade 5	Mr. Reed	22 pupils
Grade 6	Mr. O'Rourke	24 pupils
Grade 7	Mrs. Leh	24 pupils
Grade 8	Mr. Miles and Mrs. Gassett	26 pupils

The enrollment at the beginning of the 1965-1966 school year was 188 pupils.

Mrs. Marion Moynihan our school nurse for many years retired in June of this year. After many years of valued service she will be missed in our school system. Mrs. Mary O'Neill, R.N., a graduate of St. Elizabeth Hospital has taken over as school nurse.

### **Building**

Maintenance of our school building is a continuing business. Major improvement this year consisted of replacing the stage and window draperies in the auditorium and the construction of a canopy over the exterior entrance to the auditorium. This entrance has suffered over the year during rainstorms. The door had to be rebuilt two years ago due to rotting. The canopy should give the necessary protection from the weather to stop water from getting at and rotting these doors in the future.

In addition to the above the exterior windows on the weather side of the building were painted this summer.

### **Budget**

The budget for 1966-1967 is \$147,703.26. It is felt that the amount requested is needed for the proper staffing and operation of our school system.

I would like to thank the Board of Education and the Citizens of Sanbornton for their continued support and help in the education of our Sanbornton children.

Respectfully submitted,

HERMAN N. DONEGAN

Superintendent of Schools

## Report of the Principal

**I herewith submit my fifth annual report as Principal of the Sanbornton Central School.**

Elementary education in Sanbornton is near peak development. The best of the curriculum offerings are in use in most areas. Music is again available this year and a remedial reading program has been established. The children come to a good school building in good school busses and benefit from a good school lunch program. In providing all this, there has been some state building and supervisory aid, some federal funds are used in the school lunch program and the National Defense Education Act has provided matching funds for science equipment. The town has welcomed this aid, but without it they would have probably provided no less because they believe in the best for their children.

The state has felt unable to increase their proportion of aid by new taxation and the sweepstakes has been less than expected. Congress finally passed an education act and poverty act with the purpose of aiding all segments of education, uplifting the country and reducing poverty. Aid under these acts will not reduce the local effort but will provide funds for additions that might not otherwise have been possible. Action is already underway in the district to use Title II funds for library resource materials. Since the school has a better than average number of books available in the classrooms for extra reading, largely due to P.T.A. expenditures each year, federal aid will be used mostly for audio-visual aids and reference books this year.

We do have an area that is going to need more attention in the future and that is guidance and direction for the disturbed child. Child welfare agencies in the state provide some assistance, but we could benefit from service provided directly to the school.

Many benefits have come as a result of activities being conducted within the School Union, Union School Boards are working closely together in many areas and the teachers have an active union association. Of future benefit is the evaluation program that is being carried out by all the schools in the Union. Perhaps future benefits will be derived by the formation of a co-operative school district.

I would like to thank the Sanbornton School Board, Mr. Donegan, Mr. Briggs and the school staff for their continued support during the past school year.

Respectfully submitted,

Arthur E. Miles, Principal

## Report of the School Nurse

Mr. Herman Donegan  
Superintendent of Schools  
Franklin, N. H.

Dear Mr. Donegan:

I herewith submit my first annual report as School Nurse of the Sanbornton Central School.

The school years, as shown by statistics, are the healthiest period of an individual's life. Nevertheless, we must constantly watch for any signs of illness or difficulty with vision or hearing which may effect the child both physically and mentally. Without good health a child cannot do his best at school or at home.

All pupils were weighed and measured and a medical inspection was given by the nurse. Vision tests were given and eighteen defects were found. Of these fifteen were seen and treated by their family eye doctor. Hearing tests were also done on all pupils, with five pupils failing the test. Two were seen and treated by their family physician.

The dental clinic was held during the month of March. This was sponsored by the Sanbornton P. T. A. One hundred and three children had their teeth examined and cleaned. Notices were sent home to the parents of children needing dental care.

Sixty-five conferences were held with parents, teachers, and pupils and eighty home visits were made.

The pre-school clinic was held in May. Nineteen children were registered and all were weighed, measured, and given vision and hearing tests. A medical inspection was given by the nurse.

In our health program we are working toward Physical Fitness, Mental Fitness, and Social and Emotional Fitness.

More and more the social service duties of the school grow as it interests itself in the whole child and the child's total well being. I hope to continue to confer with pupils, parents and teachers regarding health problems.

I wish to offer my sincere appreciation for the cooperation extended to me by our superintendent, principal, teachers and parents. I also wish to thank Miss Marion Moynihan for her kindly counsel and advice.

Respectfully submitted,

Mary F. O'Neill R. N.

School Nurse

## **PRESERVE THIS REPORT**

---

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year, or any year, it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve and bring it with you town meeting day.
